Welcome

RCLC is a Neighbourhood House offering a range of inclusive community development activities across three sites – The Cubby House, Burnley Backyard and Studio 1.

This term, our regular programs all return, as well as new offerings in the arts, health & wellbeing, food & sustainability, and co-working.

We recognise the valuable skills and talents of local residents by offering a range of volunteering opportunities – please contact us if you are interested in contributing to your community.

We also welcome your input and feedback, so let us know what you think of the new programs and if you have some ideas for new activities and events for Term 3.
